Exit switch
EB104

The EB104 is a new mechanical push-button switch that is made of a luminum.It has the characteristics of small size, exquisite appearance, economical application, high cost performance, etc.Used in the field of access control security, electronic access control systems, etc.

Specifications

Switching voltage	DC 12 ~ 24V	Operation method	Self-replicating
Rated current	5A	Explosion-proof grade	IK10
Operating temperature	-20℃ ~ +50℃	shell material	T=4mm aluminum plate
storage temperature	-20℃ ~ +65℃	Surface treatment	Printed black characters + vertical drawing
Working humidity	10%-90%	Product Size	Length 86* width 86* height 38.5mm plate thickness 4mm
Buck mode	Built-in step-down resistor
